

MUSA IDI BATARI

BOLARI QUARTERS, GOMBE.

The Honourable Commissioner,
Ministry of Works, Gombe,
Gombe State.

17 November, 2021.

Dear Sir,

COMPLAINT LETTER/REQUEST FOR REVIEW

DEMOLITION AND COMPENSATION EXERCISE AT ABUJA QUARTERS, GOMBE

The above subject matter refers.

We want to use this medium to extend our heartfelt gratitude to His Excellency, the Executive Governor of Gombe State for coming to the aid of residence of Abuja Quarters through the numerous road networks currently carried out within the vicinity.

Sir, I am one of the individuals whose property was affected by the demolition exercise that gave rise to compensation. My property was marked No. 40 for the purpose of the demolition exercise and I received the sum of **₦2,326,850.00 (Two Million, Three Hundred and Twenty-Six Thousand, Eight Hundred and Fifty Naira)**.

Further to the above and after taking an evaluation of the current value of the land, building and housing materials within that location, I am of the view that the above stated sum is very low and non-commensurate to the value of the land. I am therefore appealing for an upward review of the said sum which was paid as compensation. Consequent upon the above, I will appreciate it, if the committee revisits the site to reassess and re-evaluate the property.

Kindly find the supporting documents attached.

Thank you in anticipation of your kind consideration of this request.

Yours sincerely,

Musa Idi Batari
